Take the fabric and draw pearls' shape on it.

Now cut them out, you have to obtain five little circles.

step 2:

Mix one tea spoon of vinyl glue with 3 spoons of water and dip every fabric circle in the mixture.

Glue every circle on the back of every pearl and let them dry.

step 3:

Put the pearls in the right position, use the piece of plastic and super glue to fix them together.

Now use super glue to fix the pin above the plastic piece.

Let it dry.
